*Georgia Custom Cabinet & Home Remodeling Specialists, Northeast Georgia Cabinets, Inc. Launches New Web Site*

**Northeast Georgia Cabinets, Inc.** has been remodeling homes and building custom kitchens in Atlanta, Athens, Gainesville, Hartwell and Northeast Georgia for three generations. They design new kitchens for home builders, remodel kitchens & bathrooms or do complete home remodeling including custom trim, entertainment centers, walk-in closets, laundry rooms, home offices, library design, flooring, granite & wood countertops, all types of interior stone design and installations and other home remodeling projects. Now they have launched a new web site at <http://www.northeastgeorgiacabinets.com> that gives you complete information about their services and products, photos of remodeled kitchens and home interiors, and helpful planning guides to help you get started on your next project.

### **Custom Granite, Wood or Solid Surface Countertops**

Northeast Georgia Cabinets, Inc. has been providing Atlanta and Northeast Georgia custom kitchen cabinets for over 30 years. The big advantage to offering our own line of custom cabinetry is that we will not say to you...it can't be done. Obstacles are only invitations for creativity and skill. We are one of only a handful of Atlanta area design and remodeling firms to offer you this service.

**Granite Countertops:** One of the most popular countertop installations, granite is an ideal surface for either the kitchen or bath. It has a distinctive appearance and granite is ultra durable, highly heat and scratch resistant and, because of its popularity, is cost effective and yields a comparatively high return on your investment.

**Wood Countertops:** The most popular countertop installations today are granite, wood and acrylic solid surface. We can design and install all of these types countertops in your home or business to add appeal, functionality and value. Wood countertops by Craft-Art are not painted or stained. The colors and textures are the natural beauty of solid wood.

**Acrylic Solid Surface:** LG HI-MACS Acrylic Solid Surface is a solid homogeneous sheet or slab that is resistant to moisture and stains. This means the color and design are consistent throughout making it ideal for surfaces that are subject to moisture and heavy wear.

### **Georgia Home Remodeling**
